***Currency Fee Disclaimer**

All account fees will be automatically deducted in EUR from your EUR IBAN. Alternatively, you can top up your account in USDC for fee payment purpose and ensure to fund ETH to cover gas fees. If no EUR funds are available, your USDC funds will automatically be used. That means for all accounts:

- Your sign-up fee will be charged in EUR
- Your monthly maintenance fee will be charged in EUR
- All EUR-based transaction fees will be deducted from your EUR account
- All transactions based in currencies other than EUR will be charged in their respective transaction currencies
